AUGUST 2021

THE CEO, REV DR KWABENA OPUNI-FRIMPONG

What is the Alliance for Christian Advocacy Africa?

The Alliance for Christian Advocacy Africa (ACAA) is a registered, not-for profit, non-denominational and non-partisan Faith Based Organization.

It is a network of Individual Christian Leaders (Both Lay and Ordained) with varied Professional and Academic backgrounds who feel concerned about the current disconnect between the massive Christian presence and matters of public policy and sustainable development.

ACAA believes that with sound values and perspectives, the Faith Based Organizations must contribute to the shaping of worldviews of the people towards social transformation.

The ACAA avoids becoming a 'privileged partner' for any political party, or doing the bidding of any political party. The ACAA is always guided by the Bible, the national best interest, the common good of the people, and discernment through the Holy Spirit.

The ACAA though an African focused and centered is Headquartered in Accra, Ghana.
